2023 MCCEW Dutch Rally Preview

Vakantiepark Hunzedal
Borger, Drenthe,
NETHERLANDS

13 - 23 th June 2023

Dear members,

Please find attached pre-view of the proposed a Dutch 2023 Rally campsite/park for your perusal. It ticks all the boxes having most of the requirements for a good rally.

Because of the 2020 rally cancellation and me being sued for about €1527 deposit they have now sent me an offer and an apology for 15 unit (caravans/motorhomes) at £23.50 per night (at to days exchange rate €1.12) for a fully serviced pitch as a group for 11 nights, total £258.50 including a deposit of £45.00 in January 2023. The site is about 310 miles from Calais in the Drenthe north/east region of Holland just outside the village called Borger. From ferries it's 162 miles from The Hook of Holland or 147 miles from Rotterdam. Hunzedal park is within walking distance from the village of Borger. There is an ALDI about 1 mile down the road, there's a bus stop not far from the entrance, and cycle tracks everywhere.

Should Motorhome users require a hard standing pitch there are 20 of them, but they are away from the main group and cost a little extra. They are prepared to keep us in a group where possible and let us use their restaurant and bar for group meals if required.

Apparently it is a very good holiday site, so if you are interested in going to it, **please let me know before 17th December 2022**. If there is sufficient numbers I will then move things forward.

My best wishes to all.
