(3) The minutes of the last meeting have already been circulated.
Please accept them as read. All in Favour

(4) No matters arising from the minutes.

(5) Report from the Chairman. Just to say how lovely it is to be able to get out and meet up again after so long, but how sad it is to have lost a few members. Frank and Gill Wilkinson send their regards to everyone, and also Keith Marshall wishes to say hello to everyone.

(6) Report from Secretary, not much to say, but again a reminder that if you change your contact details, please let me know as well as your Regional Secretary. Do not assume we are automatically told.

We have new members from Durham joined us now.

(7) Report from Treasurer.

The accounts have already been circulated. I would like to thank Chris Baker and Tony Forsyth for their continued work as Auditors.

Our outgoings are mainly to ACCEO and accompanying insurances. ACCEO gives us cover for all our rallies, but you still need your own personal insurance to cover yourselves.

We are still in a healthy financial position so I put it forward to have free membership for next year for all paid up members. Any new members joining would still have to pay the £5 membership.

At our last AGM I expressed my wish to retire from being Treasurer but no-one as come forward I have decided to continue for another year with Mary's permission. I really need someone with some computer skills to come forward so I can help them to take over. The work is not hard, but we would need time to change Bank Account names which can be hard and take time.

(8) Report from Chris Baker. Thanked David for all his hard work as did everyone in the room. The Accounts were adopted.
